I spent this Philadelphia  
morning in the Sept. 15.  
art gallery & am now  
looking over part of the  
machinery. <sup>WASH. DIST. CARPENTERS</sup> I am  
getting rather tired of the  
exhibition, & have seen  
quite as much as I  
shall be likely to re-  
member. I should  
like to have left for home  
tomorrow, but as I would  
likely have to stop over <sup>sunday</sup> at  
some little place, I thought  
it would be better to put  
it off a day. I was near-  
ly devoured by mos-  
quitoes last night which  
are very plentiful. I shall  
write again. W.D.
