Prim. J. W. Dawson
McGill College
Canada Montreal

I leave this Philadelphia
afternoon at 3.45⁵ Sept. 17.

for New York, but as the
train will not arrive
in time to catch the
Fall River Boat, I shall
likely have to stay a
day in New York, &
not go on to Boston
till Monday evening.

In any case I shall
get through to Montreal
as quickly as I can.

I have been very com-
fortable hitherto, &
everything has been as
convenient as I could have
wished. I shall hope
to write, tomorrow, from
N.Y.
