

Montreal

Aug 7th 1880

Dear Mr Dawson,

You will I am sure be pleased to hear that Anna has got safely through her troubles and that in so far as we can tell everything is getting on satisfactorily. The baby - a daughter - is a very large child, but the labour was not a long one and was over at half past one this morning.

I shall write to Mrs Dawson this afternoon giving fuller particulars, but must send

this down by Hamilton this
morning as I wish him to
get it returned.

It is really too kind of
you to insist upon reducing
our rent. I shall follow
your instructions for this
quarter, but feel that I ought
to give you the full amount
next-time.

I enclose the \$15, as desired,
but have not yet been able
to get down to Dawson's.

In haste
Yours very sincerely
B. J. Armstrong.
