Dear Father

I regret what you
said about young
Barlow, as to whether
he showed any activity
or what his qualifications
are. I find Selwyn rather
disposed to do something for
him if possible. In
writing Julius I think
I made a slip as to

amt. available for Levy
under new arrangement.

Probably about \$60,000

including sums paid
for salaries from Civil list.

& everything. Not \$60,000

without salaries. The matter

is your special importance
but I think I might put

it right

Yours
G. M. D.
