

Little Falls

Aug. 25th 1883

Dear Dr. Dawson,

I suppose that by this time you have reached Montreal or at any rate are on your way thither. We have not heard anything of the Minneapolis Meeting, but hope it has been a success and that you enjoyed it.

Our intention is to leave here on Monday Sep 3^d and I have just written to the Pullman agent at

Campbellton asking him
to retain place for us
in the Pullman of that
date.

I enclose a receipt for
rent which William sent
while you were away, and
must ask you to alter
the terms. I fully appreciate
and thank you for your
thoughtfulness & kindness
in the matter, but really
feel that the best we
can do is to pay the
moderate rent during the
coming year as usual.
Anna has I think already
written to you to that
effect. I find that it

is past time and so can
say no more at present,
but hoping to see you
in a few days remain

Yours sincerely

W. J. Hamilton
