

Serge,
20 Feb. 85-

Dear Father,

I referred you
yours about harbor bonds.
I think it would be a good
plan, if you can get
more than you wish for
yourself, to close up one
or two of your savings bank
accounts & invest three
or four thousand dollars
in harbor bonds. I enclose

my Montreal Society's book.
 I think you have power &
 authority to draw the
 money required to pay for
 the books if you get them.
 Please let me know.

Had a letter from Mr Williams
 today complaining of my
 reference to his "General
 Resources of U.S." p. 54 of
 report of G.S. Committee, to which
 he said his "attention had
 just been called". I wrote to

him stating that I had
 not seen his work at the
 time, but derived my information
 from a notice in Science

Vol. II. p. 414. Also that
 my intention was not to
 criticize his work, but
 to insist on the necessity of
 some legislative basis

for such inquiries. Dr Hunt
 is I believe at present
 at the meeting of the Mining
 Engineers & putting two &

two together I have little
doubt as to who "Called
attention"

Yours

Grays
