

13 Aug 85-

Dear Father,

The ponds around
all right this morning, though
you will since have
a word by note respecting
them. Enclosed is an
advertisement sent to
me by Thomas. You
may like to see it &
if you will then return it

to me I will send it
back to Mr. J.

Wether has decided to
stay till tomorrow evening.

It seems
from circular sent round
by Bell that there are the
two vacancies in the
section. Why not for
Pemberton's
second?

This changes the P.S.

Weekly? The 26th is a bore.

Has it been done by the Council?
If not who has the right to
do it. There is no guarantee
that parliament will rise before
the 26th. Why not hold it on the
19th or put from till autumn at
once?
