

HENRY J. NOLAN,
CHIEF CLERK.

MARK H. IRISH
PROPRIETOR.

TORONTO, ONTARIO, CANADA.

4 June 1885

My dear Father

I sent you two
Missives yesterday from
Ottawa, containing bank book,
papers & memoranda
which I hope you received
safely. I also asked you
to transfer balance in Savings
banks account to my Credit in
Victoria, as I fear I must
depend on running the party
very self for a short time, till the
retinaltes are through. Dr Selwyn

does not appear to apprehend
 that it may be at all difficult
 to get out fit & make arrangement,
 on credit on my own personal
 responsibility, but I must say I
 think it will unless I have
 some cash to go & cover on. The
 seems to have followed an
 extravagant way lately & some
 of the estimates are priced all
 right I feel confident that
 there will be a shortage of
 funds I work up report &
 maps etc. next winter.

I leave in a couple of
 hours for the coast.

Yours
 Geo
