My dear Foster,

A Toronto Jewellery
named Joseph whom I saw
today on his way to Montreal
is an enthusiastic collector of
medals & is very anxious to
get copies of some of Mr. Hill
medals. I told him he could
see the medals in the library,
but for them this did not give
him any encouragement in the
matter. I thought I would
write him to you as he
may call this week.

After leaving last time the
struck me that I had done
a remarkably fine piece of
financing in borrowing 50⁰⁰ from

you, paying a debt of 25¢ to
 brother & putting the second
 25¢ quietly in my pocket.
 I shall probably be unable to
 meet you on Saturday but
 hope you will remain over
 when next in Montreal by my
 debt as follows.

Have expenditure report	\$ 5.00
Borrowed	.50
Paid by brother for pocket	--
	<hr/>

Yours
 George M. Dawson
