My dear Father,

I put the case respecting the
Atlas of 1886 to Dr S., & he concluded to
supply the copies ordered for the College
gratis. They are sent on by mail this evg.
2 copies in sheets without covers 1 copy with
boards.

I hope before long to send you the corrected
& altered copy of sketch of western geology.
I understand from you that you did not
require it at once

Yours

Selwyn
