3 dear Sir,

I return Prof Bowry's letter herewith,  
as requested. The list of western formations  
received all right & will ~~reach~~ be long  
attention. William left for Montreal this  
afternoon. Mr. Cuvell tells me he has found  
a lot of the Mackenzie R. 'Miocene' plants,  
but they are still on the way from Edmonton  
where he has just

Yours
