My dear Father,

Mr Whitecross is under the
impression that there is a set of the Brit. Mus.
Catalogues in Nat. Hist. Library. If so
or if it is in college library, I should much
like to borrow a Monograph of Pimpinella
by Dr J.E. Gray I think. If you could get
it out in your own name & send by mail
I shall be responsible for return.

I have been asked for some references to
literature on fish-seeds which is wanted at
once & think I can find what is the
number of Brit. Mus. Cat. referred to

Yours truly

Selwyn
