THE EBBITT HOUSE

Washington, D. C.

Dec 29 1890

My dear Father,

I got here safely at 10 o'clock
last night & found Bernard at the
Station. There are very many papers
for the meeting & some will evidently have
to be hurried through. Mine, a very
short one, I got off today. I hope to be
able to get away on Wednesday
night, but have not yet ascertained about
connections.

Yours
Jesse
