436 Filmour St

Ottawa. 20 Apr 97

I must apologise for not telegraphing
on Friday as you asked. The office
was shut when I went to do so; but
I gave Goye a memorandum of the
information you wished; & also of
the report on the "Ange", which
I am sending on for the Minister's
information.

We are all well here. W.
Our street is re-numbered!
