

George

Acc. 1377

April 22. 98

My dear Foster,

I hope to be
able to get down to
Montreal to pay for
a short visit tomorrow
evening, but am not
yet quite sure if I can
manage it. Much
depends upon what
way turns up tomorrow

Warning. If anything
should prevent me I
shall probably telegraph.
I was very pleased to
see Bernard here etc
Other day, although his
stay was so short.

Yours
George
