My dear Father,

I see by the papers that
Lord Strathcona has at least
announced his intentions in
respect to the endowment of the
Woman's College, in a manner
that appears to be quite princely
& which I hope meets with your
full approval & sympathy.
It must, I think be well gratifying
to you to see this project now
fully set on its feet & you are
certainly to be congratulated in

being able to witness the
 fruition of your plans in
 this regard. I hope that the
 general outlook may be as
 pleasing to you as it seems to
 be from what appears in
 the press. McMill certainly
 does not lack in friends!

Yours

Scott
