

I am almost - of you. ask you to  
do anything for me, as I can imagine  
how busy you are, & fear that you  
sometimes put yourself out of the way  
on my business. eg. Cameron's sudden  
demand for the specimens, which I  
should certainly have deferred answering  
for a week rather than have to throw  
everything else aside to attend to it.

The Natural Agency I believe

believe advertise it - & offer to send it  
by post. Please order it - for me

if it can be sent by post. If

not I must get it - from San Fran.

in some way or other

I think (but am not quite sure)
