Dear Father,

I am what you
say in the name of
I suppose you have announced
Carpenter & that I need not
write again to him. The
Sketch of relations of various
kinds of which you sent
Ms. will not I fear do for
the introduction to the
plants. I think it would
be better to write a Memo.
giving the facts for
each locality from which
plants obtained in short

form. Please let me know
if this would do, & if so
better wanted at once.

I was at dinner at
Gov. Home last Monday
evening.

Your affectionate son
