

121 St George <sup>ava</sup> St.  
Saturday.

My dear Papa,

I have now taken  
my ticket for Monday &  
so am decided at last  
upon leaving Toronto - I  
go by boat all the way  
which I think is by far  
the pleasantest way  
for a summer journey &

I ought to arrive in Montreal  
on Tuesday evening at 7  
P.M. If you have any  
engagements to prevent your  
meeting me I will be able  
to manage very well alone  
I think. The Wilsons sail  
for England on the 11<sup>th</sup>  
of July - I cannot persuade  
Lylel to come down with  
me. I hope that you

will be able to get off to Melis  
soon for I have no doubt  
that it is hot in Montreal &  
that you are, as ever, very  
busy. I hope that Ellen  
has made you comfortable.  
I find that people here  
have the Japanese enemy  
& so I have got six roots to  
plant in your garden.  
I am afraid it is rather

late in the season to plant  
them but perhaps they will  
be obliging & flower before  
the frost comes.

Please excuse this  
hasty note - with love  
from Ever
