THE ADDRESS TO BE WRITTEN ON THIS SIDE.

Principal Dawson
Mc Gill College
Montreal

Received your letters of Friday & Saturday
last night (Monday), also from W. who thinks
prospects further off than when he ^{is} wrote to
you. Got down himself & disinfected ~~the~~ ^{the} ~~feather~~
continued using 5 Coal. Mrs. (Col) Maffatt at
Hotel. The W's likely to come here from Toronto
when weather becomes too hot for Comfort.
Very little use made of garden this year -
only beans & a few beets. Not so do the few spinach got?
cucumbers too old now. All very well. In. Tuesday
