

Saturday 4th C.

Dearest William

I have opened
my letters to say George
has arrived safely — the
boat having come in
unusually early — It is a most
unexpected pleasure — I did
not know there was a chance
of the Gaspé boat being in

time for the Union. I thank
God for your safety so far.

Anna will feel obliged if
you ^{have} time to get for her at
Murphy, Blurry the 1. part of
moist French blue. or half
a cake dry if the moist cannot
be got. Half a cake of moist
is enough.

I must run to the mail
more love from
Mary
