

Union Club,
Victoria, B.C.

Monday

Dear Father,

Just a line
in acknowledgment
of your own and
Mother's letters of
April 30th received
today. Thanks for
such news as they
contain.

We have all now

2, moved to the house
Baker Hotel, about
3 miles from Victoria,
where we shall I fancy
make head quarters
for some time to come.

I am sorry to hear you are
being bothered with
exam-papers, or other
College business. I thought
that that was now
all left behind.

all kind wishes & regards
affectionately,
Rankine.
