Miss Margaret A. Mercer  
6 Windmill Street.

National Bank  
Edin<sup>r</sup>: 5<sup>th</sup> April 1839.

My Dear Miss Margaret,

Sorry am I and sorely  
vexed, that, owing to lameness,  
I am under the dire necessity  
of denying myself the pleasure  
of accompanying your party  
to Arthur Seat to-day;— and  
all my sanguine anticipations  
of "Grand fun" are thus, as usual,  
disappointed. but I hope an  
early opportunity will occur  
of meeting the same friends

on a similar occasion.

I beg my best respects to  
all the circle

Yours sincerely,

John Forrest.
