Col<sup>d</sup> Muskeuse

My dear Mrs Dawson,

I have intended to  
write to you for some  
time, but as Mrs Bell  
is doing so just now,  
I must leave it to her.  
to give you all the News  
of the family, and friends,  
and add only this, by  
way

way of remembrance.

You are not forgotten  
among us, and, amongst  
the children, Aunt Margaret

is a frequent subject of  
conversation, when will

Aunt come to see us? or

will you let me go to

see her, mamma? - not

yet knowing they have such  
a Ferry to Cross.

We have to be thankful  
that we are all well, and  
we hope that you, and all  
about you are so. That your  
Boy is thriving nicely,  
and all going on as you  
could wish.

Give my kind regards  
to your Husband, and  
make my good wishes and  
Respects acceptable to Mr. & Mrs.  
Dawson. Believe me

Always, Sincerely yours,

Peter Mathewson

Let me thank you for your  
kind present of the Book-Mark  
which keeps you before me  
as the Downie-Lapic, I think  
you still.

Patron.

Mrs. Downie
