Sluzen Sept 14

Dearest Margaret

I write this in hope
it may still be in time to
take the steamer. I send
my paper on papers to
day - and have long, all
the magnates of the Northern
Society, Miller, Zell & present
Paper well received and
complimented by Messrs
Sedgwick, &c. Zell said if it
had been read last year I
might have had the Editor's
Chair. - I have now nothing
further to work at unless I
think proper to take part
in any of the discussions.
See Hugh Miller and had
some conversation. when I visit
him when I return to Editor -
I shall try to raise
a paper with a few
proceedings. I dined at

The Revs. last evening with
Pope Lucien Buonaparte, Marchion
de W. G. & other distinguished
company - Every one in & out
is very kind.

I am quite well and
hope all may be well with
you.

With much love and
earnest wishes for your safety

Yours very affectionately

William
