

Aldershot Camp
10th May -

My dear Mrs Dawson

So many thanks for yr
kind letter (w^{ch} I meant to
have answer'd sooner) & yr very
kind offer of a bed & also
the ticket for the Lecture
w^{ch} I shall hope to use -
if not, I shall return it
that some one else may
benefit by it - The bag
is for you. Emma asked
me to put it for you.

from her. I hope it is one
you like, & will find useful.
Send for a ticket for Mrs
Meredith's meeting & I trust
Dr. Hope you may be able
to attend, as I am sure
you will find it interesting.
I have met her here several
times. I have written to her
about Dr. that I hoped
you would be at the meeting
Wed. See her. So if you do
go, will you go up & speak

When after it I she will tell
you more particularly about
her work - This is one of the most
self-denying workers I know.
She has been visiting the prisons
in London for years she has had
a large work among the convict
women & seems to have all
the nerve & tact as well
as spirituality w^{ch} such a work
requires - She interested me
for hours giving me an
account of it. Some of the
women are unusually
clever. If you ever will

make valuable address tho
they wd need a long training
& much teaching first. I am
writing at Express Speed. &
must close with love to yourself
Mild regards to yr husband
I am so very affec^t
tionally
