Dear Mr. Dawson ^{May 25}

Be so kind as
to write and tell me whether
a haddrell or only
a bonnet will 'be right
for the Institution lecture.
Mr. Jercomb said you
had thought something
about going to the Royal
Academy tomorrow with me.
If you still should like
it and would be at any
hour you would name in the

Burlington Arcade or eat an
ice waiting in Grainger's opposite
I would be punctual, parti-
cularly as it is not advisable
to stay much alone in the
Burlington Arcade. And
will you tell me the matter of
your nice Semoret.

With kind Complts to
Dr. Dawson and your son
believe me
Your affectionate
Wm Walker
