

Murray Bay
July 14th 2 P.M.

Dear Mrs Dawson
Miss D. is gone out with the Misses
McClimonts, William & Rankin with
the boys & Eva with Eliza & as there
is plenty of room I again send
you a few lines to tell you, you
may be quite easy in your mind
about the treasures you have left
behind. I suppose Dr Dawson will
sail to day & we will pray & hope
that he will reach his home in
safety & I hope also to come in
for a share to hear the latest
news of you & Mr George, to whom
my love please. Will you tell
him that Robbie is in Minnesota
near Hastings. He is with some
nice people, the man having
been superintendant of our old
sundayschool in Harrington & his
wife teacher in the same. Robbie
will learn from him & as he
says in his last letter, works this

summer for his board. He says,
that he is hot & tired at evenings
but feels very much better in
health. Mr Carpenter has not
been so well end of the school year,
but feels better & I hope that when
I return, he will go away a
little. I intend returning the
second week of August, but either
Dr Dawson may perhaps be here
then or Miss I must invite
a lady to stay to the end, which
is easily done. I am so very
glad that you are staying in
Scotland, I am sure it must
do you good.

You need not to think, dear
Friend, that you must write
to me, I know the claims
which are upon your time
& I hear all the news about
you. But I do look forward
with great pleasure to the time
when you come back, for a
good chat.

The Lord bless you & yours
Ever your loving friend Minna McCarty
