My dear Mr. Hudson,

I am sorry to learn  
that we are not to be  
fellow passengers back  
to our homes on earth,  
how sweet to think that  
we are fellow travellers  
together in spirit to our  
Father's home above,  
I hope you will be much  
rejoiced by the great  
sojourn,

in of pretty cottage - all  
alone, with yr dear son,  
how much he will love  
to look <sup>back</sup> upon of pleasant  
intercourse together, it  
will go far to sustain  
me through his longness  
Among the winter, may  
God in his loving keeping  
take you safely home  
where I trust you will  
find yr husband & children  
all well, the happy greeting  
will compensate anything  
for the absence, let us  
remember each other  
Affectionately

At the Throne while passing  
the Treachery Booms  
My Sister requests me  
to enquire of you, the  
Name & Address of the  
House where you got  
our Idols, she wants  
to know the Name of the  
House, will they give  
it to her for the asking?  
I will send you to get  
the Name Address as you  
give me the other  
the letters from home  
you be good send  
Remember me kindly

Dr Dawson, Alce Gary  
I was glad to see you  
William should be high  
at the close of the High  
School

With love to yourself  
I am yours with  
from your loving  
son  
Samuel Peabody
