Dear Mr. Dawson

I write merely
to inform you about the trains
from Edinb. to Lpool so that
you may have as little difficulty
as may be in getting here

The train which leaves the
Calcuttina station Edinb. at
10 is the best one for you - By
it you will find a through
Carriage to Exchange Station
Liverpool - That train is
due here at 5-5. PM tho.
at this season of the year it
is sometimes nearly half
an hour late; but this also

is the case with the train to
the Lime Street station where
it is not due until 5:45 and
may not arrive until some
time after 6 - In any case
therefore take the Exchange station
and I will meet you there -

When taking your ticket ask
for it for Exchange station and
and in having your luggage
labelled have it also labelled
for Exchange station. Otherwise
it will probably go to Lime
Street - I think with this
information you need not have
any difficulty

With regards to George and
Mrs. Hall I am

Yours very truly
G. S. Brown
