Dear Mrs Dawson

Please find
enclosed check for
\$100. for payment of
five months duties
of Bible women at
the Hospital from
15th March to 15th
August 1876. The
money over his salary
paid in the Charities
following his work.
I am quite satisfied
to assume this

department, or if
ever I return to Montreal
I hope I shall be able
to superintend it,
in the meantime I
am thankful that
Mrs Redpath can
do so. I received
the Report before
leaving Paris.

With thanks for the
kind & generous
in your letter
Yours very sincerely
M. E. Westcott Papineau.
