Dunlop

My dear Mrs Dawson.

I am so glad to find that your remark on Saturday evening was intended as a "motherly rebuke to the follies of youth", and that no misunderstanding existed. I am, un-  
-happily perhaps, rather fond of chaff, and it sometimes happens

that people who do not  
know me well, take  
for earnest, what I  
say, or do simply in  
fun.

In regard to Hammocks  
I have so far failed in  
finding any of these  
"Ashantee Hammocks"  
in town, and have  
written to Tuebro where  
I purchased mine.  
There are plenty of the  
other kinds to be had  
at prices varying from

from \$2 to \$5 or higher according  
to size but they are without the  
waterproof case + s. which makes  
the "Ashantee" so very convenient.  
I hope to be able, in a few days,  
to report progress.

With reference to your request in  
regard to your son George, the  
accounts have all been paid

and the matter closed - and  
really the individual amount was  
so very trifling that it is not  
worth while to mention it -

I shall give you message  
to the Professor, and again  
thank you for your  
note, which has relieved my  
mind. Believe me

Very sincerely yours  
J. P. [Signature]
