My dear Mrs Lawson.

I am sorry to have to write that at least our plans are quite decided & instead of spending a delightful winter on this side of the Atlantic, as I so much hoped, I am going back to England with my father next Saturday. We are to sail

by the "Germanic" so I  
suppose we shall pass  
her on her homeward  
trip, or at least be on  
the sea at the same time.  
Katie wrote me last week  
that she was in the  
"7<sup>th</sup> heaven of delight" as  
we was so soon to be  
in London. Please give  
her my love & say how  
sorry I am at not  
being able to go to  
Montreal. It seems dread-  
ful to have come so far

& not paid my native  
city a visit.

We are expecting my  
Father & Mrs Saunck  
tomorrow evening. My  
Aunt has at last  
consented to come with  
us. but I daresay you  
have seen her & know  
more than I can tell you.  
I am very much  
interested to hear all  
about the Club, so I hope  
we will keep Katie  
thoroughly posted. There  
seem to have been many  
changes in our own  
little circle already.

Almost every letter tells  
of something new. I am  
afraid we shall find  
the place very much  
changed when we  
return.

I must thank you  
again for your kind  
invitation, I only wish  
I could accept it. Please  
remember me to Dr. Dawson  
& the Mrs Harrington. &  
Believe me dear Mrs  
Dawson, with much love  
Yours very affectionately  
Amy Gordon Galt.
