

WRITE THE ADDRESS ON THIS SIDE—THE MESSAGE ON THE OTHER

Mrs Dawson
Colonnade Hotel
Philadelphia
Penn

Thursday

I trust you had a
safe & rapid journey,
& that yesterday's lecture
was a complete success.

After leaving you I went
up to see some of the ocean
vessels leave: two Cunard
boats, a white star, & one
of the French line, all
crowded with passengers,
& all leaving within an
hour of one another. Yester-
days witness has a little
notice on 4th page which
may interest you. Very
badly put. Stupid idiot
Danzon. I hope you will
enjoy Philadel. Don't forget
Fairmount Park, & if you
have time the Zoo. & the
city water works.

Yours R. D.
