

CANADA POST CARD

THE ADDRESS ONLY TO BE WRITTEN ON THIS SIDE.

To Mrs Dawson,

McGill College

Montreal

Rivière du Loup.

Tuesday noon.

We have arrived comfortably
so far, & have all enjoyed a
good sleep. I could not see anything of the groceries at
Chaudière this morning, but I suppose you will now
know more than I on the subject. There is plenty
of room on the pulman to move about, which is
a great comfort. Dr. Mc Gregor is on board, re-
turning from Kingston, & also the Rev. Mr. Howat
from Fredericton. I hope you are not tired
after your exertions yesterday.
