My dear Mr. Dawson -

I am very sorry
to hear from Eva that
you will probably not
be able to come to Beau-
maris next week - but
I quite understand
how much you want
a little fuel - & rest
& much as I want you
I would not ask ^{you} again
to take the four hours in

the train & other fatigue
of packing &c. when you
have the alternative
of a few quiet days at
Rock Ferry - I am only
sorry that I have to go
to Beaumaris myself
& cannot go over to see
you as I would do were
I here. -

And I hope dear
Mrs. Dawson that you
will not let Boba come
if it is not quite -

patient - your time is so
very short - & I know
you have your hostess
& consider besides
many other points -
So please remember
that - I shall be perfectly
satisfied - whichever
way you decide - I shall
hope to be more fortun-
ate in Spring: - when-
ever I come up from
Blauvais I shall
send you a line & hope

I may still be able to favor
you & pay you a visit - I have
a nice quiet chat about
Montreal & homey
things. —

I have got my parcels
safely - I am much
obliged for your kindness
in bringing them to me -
one of them was a Birthday
present from Mother. —

Believe me

Dear Mr. Dawson

Yours affectionately
Isabella B. Greenfield
