Dear Lady Dawson -

Thank you very
much for your friendly
invitation to lunch
tomorrow.

I wish I could
accept it - but I leave
for Toronto at 8.30 am.

My stay over here has been
shortened by a cable message,
and I shall only just have
time to visit the two

Indian reserves for the
New England Co of London
(which spends £4000 per
year on them) - who have
commissioned me to visit
& report - and then to go
to the Electrical exhibition
at Philadelphia, - before
sailing for England.

May I beg your accep-
tance of the accompanying
pamphlet - which may

perhaps interest you at
your leisure, and possibly
Sir W. Dawson -

Just before leaving
England, I corrected the
press for a second Edition
of my little book - and
when that is out, I shall
send a copy to the Montreal
Free Library! The Ameri-
can reviews have been in
the same strain as the
enclosed, and the book has
had a large sale in the
States.

May I take this opportunity of expressing my personal sense of the great kindness shown to us all here - and of the very decided success of the meeting (I have attended pretty constantly for 21 years) - and my hearty appreciation of the work done for us.

Very truly Yours
W^m Lamb Carpenter -
