

"Elmwood"

Mount-Auburn, Mass.

January 26th 1887

Dear Lady Dawson

Your very kind letter was duly received but there was for some reason a delay about the delivery of the photographs & pamphlet but finally they arrived in perfect condition I believe you are very highly prized by us.

The large picture of Sir William is neither more nor less than

an exquisite portrait and
we beg that you will also
accept our thanks for send-
ing Dr. G. M. Dawson's paper
on "The Canadian Rocky
Mountains."

Need I repeat that the little
glimpses of yourself Miss Eva
& Sir William during your
brief sojourn in Boston were
a very great pleasure to us?
My brothers & I are leading

the same happy tranquil
life as usual in our
pleasant country home
which we will continue
to occupy till our return
to Europe D. V. in the
summer of 1888.

Pray remember us most
kindly to Miss Eva and
Sir William & with thanks
again dear Lady Dawson
I am
Sincerely Yours
Hugh Campbell.
