Ottawa Dec. 27
91,

My dear Mother

Respectfully Christmas,

I prefer if possible
to go to Montreal tomorrow
by the usual afternoon train
& staying there over Thursday
& Friday, returning
Saturday morning. This
I hope we will wish some
approvals. I regret that
I cannot make a longer
visit at present, but hope

I arrived at a time
 about the end of the month
 or a little after when I
 shall not feel so much
 constrained with things
 which want to be done

Yours

Ernest
