ACC. NO. 1377/15/B
REF. 35

Ottawa,

Dec. 15, 91

My dear Mother,
I send you
today some addressed
copies of photos, as
requested — also
some covers for putting
them in.
I fear it will be
impossible for me to
get down before
Christmas & also,

Judging from present
slow progress, that
my Chambers next
will be short.

Yours
Duff
