Bishop's Court, Montreal.

42 UNION AVENUE.

My Dear Lady Dawson

26 April

1893

As I learn that You are expected  
in town today - I hasten to express my  
gratitude to GOD that He has brought  
You & Sir William safely back in health  
& safety & to congratulate You on  
the news You have received

The opportunity of doing so  
is occasioned by my having to return  
"Murray's book on prayer". I have read  
it & re-read it with much profit &  
have now procured one of my own.

Thanking You very warmly  
for the loan of the book, & with true  
congratulations to Sir William praying  
that he may be doubly useful in his  
position of great usefulness to the  
Church at large

I am truly Yrs
