

Dec. 18. 95-

My dear Walter,

I should have
answered your previous
invitation for Christmas sooner
& need not say that I shall
be very happy to accept.
I was probably come down
on the Monday & thus
got a clear day before the
event. I am really weak
so preparations & thought

Nothing about the Holiday,
 being unusually busy, but
 feel somewhat relieved
 today in getting no piece
 of work off my hands.

If W or F will trust
 Victor & me I will take
 him down. Great
 difficulty now that I think
 of it to get anything of
 use to W or F. Can
 you give me an immediate
 hint? There is a meeting

3

of Soc. Society next
week at Paola delphin,
but I am pretty well
decided not to go, the
time is so awkward,
beginning on the day
after Christmas.

Yours

J. J. J.
