My dear Mother,  
After getting  
away on Saturday, I  
discovered that I had not  
got my copy of your  
photo. to bring back with me.  
I must get it out there I am  
doubt, which I trust may be  
before long. The one I like  
best is that showing west of  
the library clearly, but if  
this has all been given away  
I will take whatever you have

Left a te thankful.

I hope that you & Father  
 have not suffered from the  
 weary, weary & excitement of  
 the occasion & that every thing  
 goes on well. It will be  
 necessary to send full  
 reports to you & Ranking.  
 I am glad I came back  
 here yesterday for it has  
 enabled me to arrange to  
 start some things of importance  
 tomorrow - Monday.

Yours  
 Geary
