Dear Aunt,

My mother has asked  
me to drop you a few lines  
& wish you & yours all a  
very Xmas, a happy and  
prosperous new year and  
many of them. -

In August my mother  
& self were up among the  
hills to get some change of  
air, while there, my mother  
took very unwell; in fact  
the doctor would not let her

be removed for two weeks,  
but after that time & with  
difficulty I got her home,  
since then she has recovered  
so far, is still very weak,  
keeps her room; she intended  
to write you herself, but  
does not feel able. -

Enclosed a New Year's  
card which my mother  
sends & trusts all your  
people are well & getting on.

With kind regards from  
us both. -

I am

Your Aff. Nephew
