Dec. 19. 98

My dear Mother,

Enclosed please  
find a letter received  
today from Dr Campbell  
Williams, in reply to  
my note, which it  
appears Eva has seen,  
although under the improved  
circumstances it was  
scarcely necessary.

I have written thanking

Dr.

Anna will soon tell you

2

what I am planning for  
the weeks programme.  
If nothing happens I  
hope to get down by  
Wednesday afternoon's  
train.

Yours

Lecky.
