Dear Lady Dawson,

I must

send a message of
love & sympathy in
this your hour of sorrow,
tho' I know well, that
the Master is with you,
comforting & sustaining
& He keeps your faith
strong in Him, who
has taken your beloved
home to rest - and
such a memory! He
was one of the great &
noble - the not many

who are called - and
the good, he has been
the witness, (the willing
instrument in God's
hands) of doing in
the world, only the
they will declare.

How blessed is the
thought of reunion
"comfort one another
with these words" in
Thessalonians, - is
such a precious
message to the poor
sorrowing hearts.

I feel it w^d be intrusive
of me to write more -
but I do want to
convey a message
of deep condolence

To you & all yours
trusting you are
keeping in health
yours in our Lord
Jesus Christ

Job 37 - 11 - 13.

The inner side of every cloud
Is bright & shining
I therefore turn my clouds about
And always bear them inside out
To show the lining

He maketh
The clouds
His chariot
Ps 104 - 3.

Behold He
cometh with
clouds.
