My Dear Lady Dawson

Yesterday I wrote You a few lines expressing my own feelings concerning Yr. great loss in the passing Home of Sir William.

There was a meeting of the clergy this morning, when deep sorrow was felt, at the general bereavement; & I was requested to transmit to You the enclosed expression of sympathy manifested by the large number of clergy present.

Prayer was offered on behalf of Yr. self & family that God w. richly minister to You out of His fulness according to Yr. great need.

I am
faithfully Yrs. in Chr.
