

Mr. Sheehy.

Ottawa A -

Ottawa Nov. 21/99

Dear Lady Dawson,

I was deeply pained
to learn of the great loss you have
sustained by the death of your
beloved husband. I trust you
will not think me intrusive when
I assure you that you have the
sincere sympathy, both of Mrs
Proctor & myself in your
sore bereavement - I can never
forget the many acts of kind-
ness I have received from Sir
William, & I shall always cherish
his memory as one whom to
have known was a great

privilege. His high scientific attainments combined with his pronounced Christian character will make his death to be felt as a great loss not only in this Country but in other lands where his name is well known. It must be to you & to the members of your family a source of comfort & consolation to know that it is now well with him, that he has only gone before to be forever with the Lord & his redeemed ones.

Yours very respectfully
Geo. Doobson,
