THE RIDEAU CLUB,
OTTAWA.

Dec. 3. 99

My dear Mother,

Anna's telegram duly
received yesterday decided we
not to go to Montreal, but I hope
that you will let me know at
any moment if I can be of use.
I suppose you have letters from
Lou & Rankine as R. sent me a
copy of the Times with notice of
Foster's death, dated Monday
Nov. 20th. You might send me
two or three more of the printed

Notes for Short biography which
are in the tin box, in case I
should find occasion to send them
to Scientific journals.

You must not fail to depend upon
me if there should be anything you
require & to let me know at once,
for I am less concerned with
domestic & other necessary affairs
of that sort than any of the others.

Yours
George.
