Dear Lady Dawson

Suffer me to offer my very  
sincere sympathy with you in  
your great sorrow. Your loss is  
feared but the removal of dear  
Sir William Dawson is a world-  
wide loss. I had an intense  
veneration for him, and greatly  
valued his kindness to me in  
my business relation with him

I send a copy of the last  
number of the "British Weekly"  
which may interest you

With kind regards

Believe me

Yours sincerely,

M. H. Hooper
